- Exhaust louver type
- The fan shall be suitable for wall mounting
- Condenser motor with thermo cut-off
- Well lubricated bearing for long life operation
- High performance propeller fan enables powerful airflow at low noise
- Automatic shutter
- Orifice equipped with oil cup collects oil drops effectively
- Front louver with blind shutter enhances privacy and safety protection
- Pre-painted steel frame and shutter strengthen product durability
- Installation size = 350 x 350 mm
- Safety design base on IEC requirement
- Our global product had been approved by each country requirement.
